

FusionSleep®

Sleep Medicine Program

Physician Assistant - full time position available

Fusion Sleep is the premier clinical Sleep Medicine Program in the state of Georgia. We serve thousands of adults and children across the Southeast with sleep, wake and circadian rhythm disorders. If you are a life-long learner and dedicated to disease prevention, read on:

- 4-1/2 days of clinical outpatient service per week.
- 1/2 day for conference, education and marketing opportunities.
- Close collaborative teamwork with the Sleep Medicine physician staff.
- You will work as a valued member of the only full-time Sleep Medicine Program for adults and children in the Southeast.
- Prior experience in Sleep Medicine is not required, but familiarity with Sleep Apnea, Restless Legs Syndrome, Insomnia, Parasomnias, and Hypersomnias is preferred.
- Prior experience in neurology, neuroscience, pulmonology, psychiatry, pediatrics or internal medicine is also preferred.
- Full benefits and competitive salary with NO CALL.
- Locations in Johns Creek (near Emory JC Hospital) and East Cobb.
